CLARESHOLM LOCAL NEWS

A baseball game between Clareholm and Carmangy, is booked for next Wednesday, May 21st.

Mrs. Breerton is in Calgary hospital. She was operated on for appendicitis on Thursday by Dr. McMillan.

A large number of visitors from Stavel, Barons and Carmangy attended the baseball game on Wednesday.

Mrs. L. C. McKinney, M.L.A., will speak next Sunday night in the Methodist church on Prohibition and Reconstruction.

J. T. Kingsley is building a new residence on his lot near the college. Work on the foundation was commenced this week.

The U. F. A. Co-Operative Association are building a large double story warehouse on their property. They expect to keep a full line of machinery in stock.

Sam Whitehead and Joe Workman have been called by the Mormon church to start on a mission tour next fall. Pretty tough on them, but we make a guess that they will go.

W. L. Anderson, who came here in 1905 and has been farming here ever since, has decided to take a two years' rest. He has rented his farm to J. F. Mahley and left Friday for Couer D'Alene, Idaho.

A number of Clareholm boys are reported as having landed in Quebec. Amongst the number wires have been received from Earl Atkinson, Silvan Hillard, and the Drollinger Bros. They are expected home about Tuesday next.

Mr. and Mrs. Green, old residents of Clareholm, returned to take up residence here again last Thursday. Mr. Green has been in the livery business at Fort McMurray for some years. He sold out last week and decided to come home.

The unsightly bit of sidewalk in front of the Kamagay Taylor meat market will disappear next week. Preparations are being made to replace it with concrete walk. Just a few days more and the pipe line to the creek will be in operation again.

Pte. Ernest Bush returned from England at the beginning of the week. He left here over three years ago. He was badly wounded at Vimy Ridge, receiving twenty-five wounds from shrapnel. Since then he has spent eighteen months in the four times he went over the top.

About fifty Clareholm Odd Fellows went by auto to attend Sunday to attend the anniversary services held by Barons and Carmangy. A large delegation from Carmangy. The services were held in the opera, which was crowded to the limit. Rev. Locke preached an excellent sermon.

A dance was given by the baseball club in the opera hall after Wednesday evening's game and was well patronized. The edition of the treasury was considerably improved through the receipts of the game and dance, and everyone was well satisfied with the results of the first game of the season.

Pte. Dan Duggan was in Clareholm for a day last week. Although being in France for three years he is little the worse for his experience. He was slightly wounded once and twice buried, but each time luck was with him. Mrs. Duggan and baby are in Calgary. Dan says he had some hard times but had plenty of fun as well.

A lecture on India was given in the Harrison Hall on Thursday night, the lecturer being Rev. D. A. Gunn, a returned Baptist missionary. The hall was well filled and everybody thoroughly enjoyed the intensely interesting account of conditions in India. The speaker has spent many years in the mission field and was well up in his subject. While in town he was the guest of Mr. W. W. Knight with whom he was acquainted in his early days. It is expected that Mr. Gunn will visit Clareholm again shortly and will lecture on his experiences in India.

James Wilbitt was taken to Calgary hospital last week, suffering from pleurisy. The only hope of saving his life was a surgical operation, but this proved of no avail and he passed away on Friday, the 9th. The body was returned here for burial, the funeral service being held at the Methodist church on Tuesday, May 13th, at 2 o'clock.

The Park Association have arranged sports for the 24th of May. As is customary, the main proceeds of this day will be devoted to the expenses of the Park Association, who are at considerable annual expense in maintaining the grounds and recently suffered a loss in the destruction by wind of one of the barns, which will be rebuilt as speedily as possible.

PUBLIC HEALTH ACT

A meeting of the Health Board was held on May 13th when the following orders were passed:

1. All back yards and alleys have to be cleaned up by June 1st and all empty tin cans and other refuse must in future be placed in boxes or other containers and removed from the premises when the said containers are full.

2. All slop barrels used for holding refuse by hotels, boarding houses and restaurants shall be equipped with a metal cover. C. Rompin has a sample of metallic container which would be preferred to the barrels if parties were disposed to purchase same. Parties interested can see him re prices, etc.

All parties not carrying out these provisions will be proceeded against under the Public Health Act.

By order of the Health Board.

"Where Are My Children," a Great Human Life Story

"Where Are My Children," pronounced the most amazing, most impressive, most dignified, yet the most sensational production of its character in the history of moving pictures, comes to the Rex Theater for two nights, Monday and Tuesday, May 19th and 20th. "Where Are My Children" has been censored by the Alberta censors so that it can be exhibited in Alberta only under the conditions that it be shown only to segregated audiences and that no child shall be admitted to any performance. "Where Are My Children" has been applauded by press, clergy and hundreds of thousands of prominent people as "The most powerful weapon with which humanity may crush inhuman crime." The following is part of a comment on "Where Are My Children" as related by a prominent clergyman, after viewing the pictures: "I hold the play, among its other virtues, to be a strong warning to unwary young girls and susceptible of a class of young men who are typified in the picture by him who mistakes such a girl to be pregnant and subsequent death as a result of abortion. I could not but feel that I should like every young woman, especially those amid the temptations of public life to see especially that feature of the play. The play is a needed warning to young men also. I sent my own son to see it. I don't know what his private relations may be, but I want to forecast them if I can, through intelligent guidance. I told him to go and see the play with this in view. I regard it as a necessary warning for young men and women today against the encouragement or permission of intimacies and familiarities which lead to certain ruin." Such a statement from a clergyman is a sufficient guarantee that "Where Are My Children" is far superior to any similar feature ever produced. Also strongly recommended by all the moral reform leagues throughout the world. See it at the Rex Theater Monday and Tuesday, May 19 and 20.

Lutheran Convention at Clareholm

The Medicine Hat Circuit of the Norwegian Lutheran church of Canada will hold a convention on missions and church work at the Lutheran church, Clareholm May 25, 26, 27. The pastors and delegates from the congregations in the circuit are expected to be present and take part in the discussions.

The special feature for Sunday evening is the program under the auspices of the local Young People's Society.

GRAY DORT

For Many Reasons

ONE owner praises the economy of the Gray-Dort. The low consumption of fuel. The long mileage from tires.

Another finds in this car the power and speed he needs without costly weight.

A third talks constantly of value. A staunch, handsome, roomy five-passenger car is unusual value at the Gray-Dort price.

Women, particularly, appreciate the easy driving and comfortable riding of the Gray-Dort. Its beauty, too, attracts their admiration.

You have already heard much of the Gray-Dort. Go now and ride in one. Ask the Gray-Dort dealer for a demonstration. He will gladly give it.

The touring car is \$1245; the Gray-Dort Special—the car with added refinements and extra equipment, is \$1515 extra; there are also a coupe and a sedan. All prices for a Chevrolet and are subject to change without notice.

BASEBALL

The baseball season opened in Claresholm on Wednesday, May 14, with a win for the home boys over Stacey to the score of 5 to 2.

The band was out and paraded to the grounds, and Mayor Lewis officially opened the season by throwing the first ball. Young Glen Lewis started to pitch for Claresholm and had the Stacey boys at his mercy for two innings, as they only gathered one hit and he struck out three men.

At this stage of the game Manager Stelmus injected his big ace "Knute" into the fray and from then on the fans witnessed the grandest exhibition of pitching ever seen in these parts. The big speed merchant has smoke galore and an assortment of batters that makes Walter Johnson envious "Knute" his big stock.

The baseball boys wish to thank the band for their excellent services.

Banking Credit for Farmers**THE CANADIAN BANK OF COMMERCE**

invites the Co-operation of its farmer customers in furthering its efforts to give them efficient service, particularly in the matter of credits for Grain Growing and Livestock

Grain Loans: It is this Bank's policy to carry its loans to grain growers so as to enable the latter to complete the Fall work on their land, and market their grain gradually after the freeze-up.

Livestock Loans: We make liberal loans to farmers, large and small, to purchase both feeders and breeding stock, and we carry such loans so as to enable farmers to finish the stock properly for market.

Make Your Banker your financial adviser and let him help you to shape your affairs, with a view to enabling you to obtain what credit you require from the Bank and to pay cash for your goods.

After giving your Bank Manager a full and truthful statement of your affairs, you cannot obtain the credit which you need, and to which you think you are entitled, don't make a guess against the Bank.

Instead, lay the facts before the Director of your local Grain Growers' Association, and get them to refer the matter up with your Banker, who will be bound to comply, but will be clear up any possible misunderstanding.

The Director then tells you what you can receive, more generous treatment than the local Manager is disposed to give, let them pass on the facts to the Secretary of the Provincial Grain Growers' Association, with a view to the clearing the matter with the Bank's chief Western representative.

This is a form of co-operation we would cordially welcome.

Another Letter to Mary

Dear Sister Mary:—

Thank goodness, I have at last time to write, we are all through seeding. Our house is nearly completed, and most delightful has been the supervising of the work and the anticipation of its occupancy. Tom and I have congratulated ourselves on many things in connection with "our home," but particularly in our choice of Mr. Bill Fisher as carpenter and contractor. He has been in this neighborhood many years and has had always the reputation for honest and careful work. True he asked more than some of the out of town contractors whom we did not know, but Mr. Fisher has built into "our home" all the carefulness, skill, and honestness of his nature, and we have already forgotten how much more he asked.

Tom says he heard at the lumber yard yesterday, that wholesale prices had already advanced from \$3.50 to \$7.50 per thousand feet. You may be late to buy at the prices we paid.

Your loving sister Florence.

SERVICE THAT SATISFIES

A famous tractor—the Fordson

THE Fordson tractor has at-
tracted the attention of every
civilized country. It is used
by thousands in Europe today. It
has shown the way to make farms
produce more—in every country—
and of every size.

Built right—simple, durable,
economical, easy to operate—easy

to care for; the Fordson fulfills
every requirement. It will make
your farm a more profitable invest-
ment—will take worries off your
shoulders.

Burns kerosene—all gears are
enclosed. The Fordson is built es-
pecially to meet the need for a
tractor which must be cared for by
the operator himself.

Use it with the Oliver No. 7 Plow

Good plowing—every acre exactly as you want it—that's the
result of using the Oliver No. 7 Plow especially designed for the
Fordson tractor. Trash and weeds are buried at the bottom of
the furrow; the stop device maintains an even depth of furrow.
It's the plow that shows you the best advantage with this tractor.

Come in and let us show you the Fordson tractor and Oliver
plow.

"In a demonstration at Mart-
insville this week in which nine
machines took part, the Moine
Universal finished its land of one
and one-third acres five minutes
ahead of its nearest competitor,
and each tractor was sowing
three plows instead of two as for
us. The official time showed that
it plowed an acre in fifty and one-
half minutes, at a cost of fifty-six
cents per acre for fuel."—General
